THE CLARITY PAIRING

Zero proof. Full intention.

Chef Akira Back's cuisine demands presence: bold, layered.
We believe the beverage beside it should ask the same.
We built a pairing that does not mimic wine or hide behind alcohol.
Instead, we strip away everything that distracts. What remains is
pure essence: clarified juices, slow infusions and a deep respect
for contrast and harmony.

Each of the five vessels you will receive is a single conversation between
ingredient and intention. Some cut richness. Others echo umami.
A few simply prepare the palate for what comes next. They are served in
stemware, at precise temperatures, with the same care as any Grand Cru.

This is not a detox. This is not a compromise. This is a different kind of
complexity, one that asks you to taste with fresh eyes.

Welcome to CLARITY.
